

Confederate veterans' association held their annual meeting at the Beaver Spring, near Frenchburg, last Thursday, Friday and Saturday. A large crowd was present every day, and a good time generally was had by all. The boys and girls rode the Flying Dutchman nearly to death.

"Incurable."

We know that it sounds quackish to talk about the Electropoise curing incurable diseases, but bear in mind the fact that it is the old treatment that has pronounced the case incurable. We do not make the claim that we can cure all incurable diseases, but we do maintain with all earnestness that a case pronounced incurable by your family physician is a splendid field for the operation of the Electropoise. It may be just the treatment necessary, and is quite likely to be so. If it fails, this is no argument against the "Poise," but in such a case, the fact of the physician's statement is proven to be true. But many's the patient who has been given up by his physician who has again received life through treatment of the Electropoise.

Harmon Swango and Mrs. Mary Oney left last Friday morning for Tazewell county, Virginia, to visit friends and acquaintances. They will be gone several weeks.

The Wesleyans were named from John Wesley. They were called Methodists in derision because Wesley and his companions methodized their time in order to conserve it and do more work. In England the Primitive Methodists are called "Ranters," from their habit of preaching on the street or in public places or wherever they can get an audience.

Last August while working in the harvest field I became overheated, was suddenly attacked with cramps and was nearly dead. Mr. Cummings, the druggist, gave me a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which completely relieved me. I now keep a bottle of the remedy handy. A. M. Bunnell, Centerville, Wash. For sale by John M. Rose.

There will be a declamatory contest at the academy on the second night of the fair. Gold medals will be given. The contest is open to any and all, and those who have won medals at the academy are especially invited to participate.

The Shakers had their peculiar designation given to them in derision. During the religious excitement which were encouraged by their form of worship, members of this sect often fell into convulsive tremblings, sometimes ending in partial or total unconsciousness, and this singular phenomenon gave a name to the sect.

The Utah Democratic convention nominated two candidates for the United States senate, and adopted resolutions in favor of free coinage of silver.

Last Saturday at Maytown there was a mule show of all mules sired by Lewis Hilton's jack last year. Entries were John Sweeney, Jobe Ross, A. W. Martin and Bruce McCure, who got the prize of \$5. The judges were Judge G. B. Swango, Bob Day and Neff. Bruce set up the crowd to water melon, and all went away pleased with the decision and overjoyed with the treat.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO CURO. It is purely vegetable. You do not

have to stop using tobacco with BACO-CURO. IT WILL NOTIFY YOU WHEN TO STOP and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1.00 per box or 3 boxes (30 days treatment and guaranteed cure), \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free.

ST. PAUL, MINN., September 7, 1894.

EUREKA CHEMICAL AND MFG CO., LA CROSSE, WIS.

Dear Sirs—I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco for the time being, at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
